

**Terms and Conditions of Travel and Transportation
of the Company Schiffahrts-Gesellschaft "SEA CLOUD"
mbH & Co. KG (SG Sea Cloud)
in its capacity as Tour Organizer for
SY SEA CLOUD**

Dear Guest,

We hope that you have found the appropriate vacation trip in our program, and we welcome you to the exclusive circle of guests of the SEA CLOUD. Please read the following **Information and Conditions** carefully so that you will know exactly what you can expect from us. The information and conditions regulate the contractual relationship between you and us, and you shall recognize them with your reservation. We are striving to relieve you of troubles and worries in as far as humanly possible. The delineation of our responsibility is designed to provide clarity regarding what you may expect and our liability.

1. Application and Travel Confirmation

1.1. Via your tour application, you are offering SG Sea Cloud via their agent SEA CLOUD CRUISES GmbH or their serviceprovider Sea Cloud Cruises Inc. (SCC), in a binding manner, the opportunity to close a travel agreement. Your tour registration may transpire in writing. The travel agreement will only become binding from the time that we confirm the reservation and the price to you or your travel agent in writing.

1.2. The applicant is liable for all contractual obligations of other tour participants that he/she registers provided that he/she has expressly confirmed to do so.

1.3. You shall receive a travel confirmation upon conclusion of the contract or without delay thereafter. The confirmation shall contain all essential information regarding travel performances you have reserved, provided that said information does not already follow from the travel brochure.

1.4. All personal data, which you submit to us and SCC for handling your trip, is subject to the provisions of the General Data Protection Regulation and the Federal Data Protection Act. Data will be protected against improper use.

1.5. If the subject-matter of the confirmation of the holiday deviates from the subject-matter of the booking, then a new offer by SG Sea Cloud is in existence to which it is bound for the duration of 10 days. The contract comes into existence on the basis of this new offer if the traveler declares his/her acceptance to SG Sea Cloud in writing or by payment within the commitment period.

2. Payment

2.1. You are required to make a down-payment of 20% per person within one week following receipt of the travel confirmation and the invoice. The remaining balance shall be due for payment four weeks prior to commencement of travel and before receipt of travel documents (tickets, etc.). The total amount is due for payment as soon as the travel confirmation, invoice and insurance certificate have been received in the event of bookings made when there are four weeks or less remaining before commencement of travel.

2.2. If the traveler is in default with a payment to SG Sea Cloud, SG Sea Cloud can cancel the contract after having issued a reminder with a deadline. In this case SG Sea Cloud can claim cancellation fees in accordance with paragraph 5.3.

2.3. The travel contract will be cancelled automatically if payment is not received by the beginning of travel despite another demand for payment by a certain date having been issued. In this instance, SG Sea Cloud will be entitled to demand corresponding cancellation charges as compensation for damages according to paragraph 5.3.

2.4. The customer is required to bear the cost of ancillary performances, such as acquiring a visa, etc., as well as the costs for reservations or inquiries made by telegraph or telephone.

2.5. All payments must be made directly to SG Sea Cloud as specified on the invoice. **The travel agency is not authorized to receive payments.** Payments to the intermediary travel agency will be made at the traveler's own risk and will have no debt-discharging effect with respect to the relevant operator should the travel agency fail to forward the payments to SG Sea Cloud as specified on the invoice.

3. Scope of Performance and Prices

3.1. The scope of contractual performances arises from the services as specified in the offer and in the booking confirmation combined with the catalogue valid at the time and the trip description together with all explanations and guidelines contained therein.

3.2. Flights

SG Sea Cloud informs the customer via SCC about the identity of the airline/s performing flight services during the voyage. In cases where the booking is made at a time when the airline is not known, SG Sea Cloud will tell the customer which airline/s is/are most likely to perform the flight services. As soon as SG Sea Cloud knows for certain which airline/s will be performing the flight services, SG Sea Cloud will inform the customer about the identity of the airline/s. At the very latest, this will be when the detailed travel information is sent. In case the airline changes SG Sea Cloud will inform the customer immediately after the change is known. A list of airlines with an operating ban within the EU can be found here: https://ec.europa.eu/transport/modes/air/safety/air-ban_en.

The conditions of carriage of the airlines for whose flights we act as intermediary are binding. We shall be pleased to provide these to you on request. Carriage is booked in the Tourist Class; also in the Business or First Class at extra tariff cost in as far as they are available. Flights on days other than the travel days booked e.g. as a result of pre- or post-programs can lead to extra costs. The airlines always only accept seat reservations as non-binding wishes.

3.3. Luggage conveyance

3.3.1. Airlines have different regulations for luggage transport depending on the route and fare. You will receive information on free luggage allowance with the specific flight offer. Excess luggage can in principle be carried at extra cost. Children under the age of two have no claim to luggage conveyance.

Please report damage or delays in delivery promptly on the spot to the relevant airline via a Property Irregularity Report (P.I.R.). The report is a prerequisite for any liability.

3.3.2. The allowance of cabin luggage per passenger is up to 40 kg. Additional luggage may only be taken on board with the approval of SG Sea Cloud.

3.3.3. The luggage may only contain personal effects. Weapons and any other dangerous objects, drugs and other objects the importation of which is illegal in countries en route, may not be taken on board. Paragraph 6.3. shall apply accordingly.

3.3.4. The passenger shall label luggage legibly with his/her name and particulars of port of embarkation and port of disembarkation and in the absence of which any responsibility for loss, confusion, and incorrect loading or unloading of the luggage shall be excluded, except in cases of willful act or gross negligence.

3.4. SG Sea Cloud shall carry a doctor on board if so required by any laws or regulations. SG Sea Cloud are only responsible for the thoroughly choice of the doctor and/or nurse and shall not be under any liability to the passengers for treatment given to them by such doctor and/or nurse as may be carried or for such drugs as may be prescribed. Facilities for an extensive medical treatment are not available on board; in case of urgency or risk the passenger may be disembarked at the next port. The services of the doctor are not part of the services offered. The passenger / patient always concludes a separate contract with the doctor for a medical treatment.

3.5. Services not used by traveler

SG Sea Cloud shall endeavor to obtain reimbursement of saved costs from the service provider if the traveler fails to utilize travel services due to premature return journey and in other significant cases. This shall not apply if services are fully irrelevant or if a refund is opposed by legal or official regulations. SG Sea Cloud is entitled to retain 20% of the refundable amount as compensation for additional effort and expenses.

3.6. Not included in the price are any costs and official fees concerning the passenger (e.g. taxes, landing, stamp charges or costs related to a quarantine ordered for the passenger).

4. Modification of Services and Prices

4.1. A change of airline company, of aircraft or of the departure and arrival airport may become necessary should an airline cancel a flight and e.g. in the event of failure of the airline to comply with the flight schedule. Right is retained to effect such kind of change or modification in such or similar instances. Only costs, equivalent to a second class railroad journey, will be refunded in the event of substitute transportation.

4.2. Changes in the trip's itinerary are possible for ship voyages, e.g. in case of flooding or low water level, inclement weather conditions, governmental regulations, travel warning of the German Foreign Office ("Auswärtiges Amt") if the vessel could not adhere to its schedule at the time that travel commences because of an unforeseen technical defect that causes postponement of the trip itinerary, if the vessel's management alters the vessel's course in the interest of passengers' safety or any other special reason related to the ship travel. In any such cases SG Sea Cloud has the right to make use of other means of transportation such as but not limited to coaches and buses for some routes.

4.3. Any such and comparable divergences from and modifications to individual travel performances contained in the travel agreement, which become necessary after the agreement is closed, and which are not induced by SG Sea Cloud contrary to the principles of good faith and trust, are solely permissible, if they are not substantial and if they do not impede the overall tailored style of the reserved trip.

The modified performance shall supersede the performance due under contract. Contingent claims under warranty shall remain unaffected, in as far as substitute performance is flawed. In the event that the overall tailored style of the reserved trip is unreasonably modified due to said substitute performances, then we shall grant you the option to change your reservations, free of charge, or to cancel the travel agreement without paying any fees. SG Sea Cloud shall undertake to immediately inform you of any such divergences or modifications, in as far as possible.

4.4. The Owners hereby retain the right to render help to other vessels and to tow or to salvage vessels, to proceed by any route and to enter into or depart from any port on one or more occasions and in any sequence whatsoever. The Ship is also entitled to sail with or without pilots to effect repairs or to dock, to make trial journeys, to set the compass, to sail in convoy, as well as to transport freight of all kinds. Any and all such actions, whether anti-cipated or not, are deemed to be a component part of the contractual voyage.

4.5. SG Sea Cloud reserves the right to alter the indicated prices, which have been confirmed on booking, in the case of an increase of transportation costs or of fees for particular services, such as port or airport charges, bunker surcharges, insurance fees or in the case of an alteration of the exchange rates applicable to the holiday in question, to the extent to which this increase has an effect on the price of the holiday per person or per seat. To the same extent, SG Sea Cloud is obligated to reduce the price accordingly should the aforementioned transportation costs or charges be lower or the applicable exchange rate change accordingly. In the case of a subsequent amendment to the price or of an amendment to an essential travel service, SG Sea Cloud must inform the traveler no later than 20 days prior to the start of the voyage. In the case of price increases of more than 8% or in the case of a considerable amendment to an essential travel service, the traveler is entitled to withdraw from the tourist travel contract free of charge or to demand participation in a voyage of at least the same value, if SG Sea Cloud is in a position to offer such a voyage from its range of services without additional cost to the traveler. The traveler must assert these rights vis-à-vis SG Sea Cloud within the time frame defined by SG Sea Cloud as part of the notification regarding the price increase or amendment to the travel service. If the traveler does not respond to SG Sea Cloud within the defined time frame or at all, the amendment about which they have been notified will be deemed to have been accepted. The traveler is to be made aware of this within a declaration by SG Sea Cloud via a permanent data medium in a clear, comprehensible and highlighted manner.

5. Changing Reservations, Cancellation, Substitute Persons

5.1. We will endeavor to modify the travel registration (change reservations) subject to availability, at your request, up to 75 days prior to commencement of travel.

Any change of reservations made as of the 74th day prior to commencement of travel will require you to serve notice that you are cancelling the reserved trip, and it will require subsequent re-registration. This shall not apply for requested changes of reservations that solely cause substantiated, minor expenses. Modification of the travel date, the travel destination, accommodations or the means of transportation shall apply as a change of reservations.

In general, regardless of the year of travel and the booking period, all trips can be **REBOOKED FREE OF CHARGE** up to 75 days prior to the start of the trip.

5.2. You may cancel your trip in writing at any time prior to commencement of travel. Your cancellation notice shall become effective on the date we receive it. If we receive your notice out of office hours (Monday to Friday 9-17h CET), your notice shall become effective on the next working day (except Saturday).

5.3. If one of the parties cancels the contract or if you do not start the journey, SG Sea Cloud may demand reasonable compensation for arrangements it has made in conjunction with the trip and for its expenses, even if SG Sea Cloud has not yet confirmed the trip or if you fail to begin the journey. Our flat rate claim to reimbursement exists in case of cancellation of a reserved trip as follows:

€ 300 per person administration fee	up to 180 days prior to commencement of travel
20% of the tour price	179 – 150 days prior to commencement of travel
35% of the tour price	149 – 50 days prior to commencement of travel
50% of the tour price	49 – 22 days prior to commencement of travel
70% of the tour price	21 – 15 days prior to commencement of travel
85% of the tour price	14 – 1 days prior to commencement of travel
95% of the tour price	on the same day at the commencement of travel or failure to appear

For individual ancillary services booked via SG Sea Cloud, such as hotel and/or flight bookings, the respective cancellation conditions communicated with the offer and deviating from the cruise service apply. Costs that the service provider charges to SG Sea Cloud, e.g., empty bed fee charged by a hotel for cancellation at short notice or special fees for cruises, shall be additionally invoiced in the event that individual or group trips are annulled. The traveler is free to prove to SG Sea Cloud that SG Sea Cloud has no loss or that the loss is less than the aforementioned flat rate. In this case the lower proven loss will be applied in place of the flat. SG Sea Cloud reserves the right to charge reimbursement fees beyond the flat rates mentioned above. In this case SG Sea Cloud has to verify and prove the loss, taking any expenses that have been saved and/or any other potential uses for the travel services into consideration.

5.4. You may appoint a substitute person for yourself up to commencement of travel. In such case you are required to inform the tour organizer thereof. The tour organizer may object to any such substitute person on the basis of good cause, (e.g., special requirements linked to the trip, statutory bans, refusal by airlines or by hotel operators, etc.). If a third party enters into the contract, then he or she and the registrant are jointly and severally liable in respect of SG Sea Cloud for the price of the holiday and for additional costs incurred through the entry of the third party. SG Sea Cloud may only demand that additional costs be refunded if they are actually and reasonably incurred. SG Sea Cloud must provide the traveler with evidence of the amount of additional costs incurred through the entry of the third party.

5.5. Cancellation fees and fees for changing reservations are due for immediate payment.

6. Travel Regulations, Papers, Refusal of Landing Permission

6.1. The passenger shall observe, perform and comply with all laws, decrees, directives or travel conditions (regulations) of the countries and ports at which the Ship may call as well as all rules and orders of the Master, SG Sea Cloud or their Agents. The passenger is obliged to procure the necessary travel papers himself/herself in good time prior to the commencement of the journey and shall show these on request.

6.2. Passengers who disobey the instructions, rules or orders referred to in sec. 6.1. or whose papers are incomplete, forfeit the right to demand transportation and have no claim for refund of the fare.

6.3. Each passenger is liable SG Sea Cloud for all consequences and damages, particularly fines, which SG Sea Cloud may have to pay or to deposit and which arise out of the fact that the passenger has not complied with the rules and regulations, which are applicable with respect to the voyage into or from or through the countries of the voyage or from the fact that the passenger is not in the possession of the correct papers. Each passenger shall be obliged to reimburse SG Sea Cloud for such outlays immediately on demand.

6.4. SG Sea Cloud shall render assistance and information through their employees or agents in respect of the regulations referred to sec. 6.1.

6.5. Refusal of Landing Permission/Costs of Further Transportation

If the landing or entry of the passenger and/or the importation of his/her luggage is refused at any port of landing or destination, SG Sea Cloud retain the right to transport the passenger and/or luggage to another port at which the Ship will call and to land him/her there. For this service the passenger shall pay to SG Sea Cloud the fare according to the current tariff for such additional transportation and reimburse all other expenditure arising therefrom. The general conditions of this agreement shall also apply to any such additional transportation.

6.6 An early termination of the cruise may violate the national legal provisions of the respective country of travel and therefore requires the consent of SG Sea Cloud. SG Sea Cloud may only refuse this consent for good cause. Such good cause exists in particular if the respective local regulations and laws do not permit early disembarkation or entry of the passenger. If the passenger does not comply with the instructions of SG Sea Cloud, he/she shall be liable to SG Sea Cloud for damages to the full extent.

7. Animals

It is not allowed to bring animals on board the Ship.

8. Cancellation and Rescission of Agreement by the Tour Organizer

8.1. SG Sea Cloud may rescind the travel agreement after commencement of travel, without complying with a term of notice, if travelers persistently disturb execution of the trip despite an appropriate warning issued by the tour organizer. The same shall apply if anyone should behave in a manner which is gravely in breach of contract and justifies the immediate cancellation. In addition, SG Sea Cloud has the right to cancel the travel contract without notice for important reasons if in the captain's opinion the traveler is unfit for travel due to illness, physical disability or for any other reason or if the traveler requires special assistance but is travelling without this assistance or if the trip has been booked based on incorrect information or further, because the carriage of the passenger is or could be detrimental to the safety or health or the uninterrupted passage of the passengers, the crew or the vessel. SG Sea Cloud shall, however, after cancellation for any of these reasons retain its claim to the tour price. Furthermore, SG Sea Cloud may withdraw from the contract without notice prior to the commencement of travel or terminate the travel contract after the commencement of travel if the traveler is in the 24th or a later week of pregnancy at the time of commencement of travel or reaches the 24th week of pregnancy during travel. In this case, transportation on board the SY SEA CLOUD, is excluded for safety reasons and due to the limited medical care on board. If the pregnancy was not known at the time of travel booking, SG Sea Cloud will reimburse the travel price already paid if SCC is informed of the pregnancy immediately after it becomes known. Otherwise, SG Sea Cloud reserves the right to claim the travel price after termination or withdrawal from the contract. Pregnant women who are less than 24 weeks pregnant at the commencement of travel must present a certificate of fitness to travel issued by a medical specialist, confirming the travel area. For safety reasons, children may only travel on board the ships if they are at least one-year-old; in the event that the traveler is traveling with a child who is under one-year-old at the time of departure, SG Sea Cloud may withdraw from the contract prior to departure without notice or terminate the travel contract after departure; the claim for payment of the travel price remains valid. However, SG Sea Cloud is required to allow credit for the value of saved costs as well as for advantages which may be obtained from another application of services not used, including possible reimbursements from service providers. The fare for the share of the journey not travelled, is to be repaid if the passenger is not responsible for the premature termination of the transportation contract and SG Sea Cloud are able to re-sell the place made vacant. Any outlays and expenses of disembarkation and the extraordinary return voyage in such case are payable by the respective passenger.

8.2. SG Sea Cloud may withdraw from the cruise up to 30 days prior to the start of the cruise if a minimum number of participants is not reached, provided that (a) SG Sea Cloud has informed the customer of the required minimum number of participants and the later withdrawal deadline prior to the conclusion of the respective travel contract and (b) the minimum number of participants and the latest withdrawal deadline are clearly stated in the travel confirmation. The time of withdrawal depends on the receipt of the withdrawal declaration by the customer.

In case the cruise cannot be realized or can only be realized with a smaller number of passenger due to governmental regulations or due to other unavoidable, extraordinary circumstances, SG Sea Cloud can

withdraw from the cruise before the start of the cruise and has to declare the withdrawal to the customer immediately after becoming aware of the reason for withdrawal. Your paid tour price will be immediately, latest after 14 days, refunded.

9. Rescission of the Contract due to unavoidable, exceptional Circumstances

SG Sea Cloud or the traveler may both rescind the travel agreement if the trip or the carriage to the destination is rendered considerably difficult, endangered or impeded due to un-avoidable, exceptional circumstances such as but not limited to an Act of Providence, (e.g., war, internal unrest, natural catastrophes that endanger safe travels to the destination) or in case of material risks for the health because of the outbreak of serious diseases at the destination. SG Sea Cloud shall immediately refund the paid tour price in such instance, latest after 14 days. If the contract is terminated before commencement of the voyage due to such an important reason, the entire passage price shall be repaid to the passenger. In such an event the passenger shall have no further claims against SG Sea Cloud whatsoever.

10. Liability

10.1. We shall bear liability within the scope of the due diligence of a prudent businessman:

10.1.1. for conscientious preparation of the trip;

10.1.2. for careful selection and monitoring of service providers, (e.g., transportation corporations, hotel operators, etc.);

10.1.3. for due and proper rendering of contractually covenanted tour performances, under consideration of applicable legal provisions of the respective country and place of destination.

10.2. However, we are not liable for information contained in hotel and local site brochures. We have no influence on their origin. We also bear no liability if national political conditions and contingent entry regulations change at the point of destination, after this brochure is printed, that encumber entry into the affected country or point of destination or which render the same infeasible. We shall inform you at short notice of any such essential, subsequent changes, in as far as possible.

10.3. We are liable for the fault of a person entrusted with rendering a service, unless otherwise stipulated under these Terms and Conditions of Travel or stipulated by prevailing conditions, and provided that the person entrusted to render service had caused an instance of damage not only upon the occasion of performing contract. The measure of indebted diligence shall be determined by conditions at the site of service rendered. Your tour will primarily take you to foreign countries, where foreign living conditions and where laws and local safety standards, that are partially foreign to us, prevail.

10.4. Warranty

10.4.1. The traveler may demand relief if the tour is not performed in compliance with contract. SG Sea Cloud may refuse relief if it necessitates disproportionate expense.

10.4.2. After returning from the tour, the traveler may demand reduction of the tour price, commensurate with reduced performance, in the event that the demand for relief was unsuccessful and the trip was not performed in compliance with contract. This shall not affect contingent, more extensive claims for subsequent reduction of the tour price.

10.4.3. The traveler may rescind the travel agreement if the tour organizer failed to perform relief, within a reasonable term, or if the tour organizer formally states that relief cannot be performed, and if the trip will be considerably impaired due to performance of services under noncompliance with contract. If the agreement is rescinded in this manner, then SG Sea Cloud is obligated to take appropriate measures, and especially to provide return transportation for travelers, if required.

10.5. The traveler may demand compensation for damages, and more precisely for vacation time spent to no avail, provided that the tour organizer is liable for a circumstance that caused a flaw in the tour.

10.6. Restriction of liability

10.6.1. SG Sea Cloud's contractual liability is limited to three times the tour price, provided that damages sustained by the traveler are not caused by intent or gross negligence. The same applies in as far as SG Sea Cloud is responsible for damages incurred by a traveler solely through the fault of a service provider.

10.6.2. SG Sea Cloud is not liable for defective performances that arise in conjunction with services mediated as third party performances (e.g., sporting events, attendance at theatres, exhibitions, etc.), provided these services are expressly identified as third party performances in the brochure and the booking confirmation by giving the name and the address of the third parties. It must be clearly recognizable for the

customer that these third party performances are not part of the package tour by SG Sea Cloud.

10.6.3. A claim to damage against SG Sea Cloud as tour organizer is restricted or excluded, if – under legal provisions applicable to required, rendered performances of a service provider – a claim for damage against a service provider may solely be asserted under certain conditions or limitations or if such claim is excluded under certain conditions.

10.6.4. If SG Sea Cloud assumes a position equivalent to a freight carrier, then his liability shall be regulated by the provisions of the Air Transportation Act in conjunction with conventions covenanted in Warsaw, The Hague, Guadalajara and the Montreal Agreement (solely for flights to Canada and the USA). As a rule, the Warsaw Convention limits the freight carrier's liability for death or physical injury and for loss and damage of luggage. If SG Sea Cloud constitutes a service provider, in other instances, then he shall bear liability in accordance with provisions that apply for a service provider.

10.6.5. If SG Sea Cloud assumes a position equivalent to a carrier, within the scope of sea voyages, then his liability shall be regulated in compliance with provisions of the Commercial Code and the Inland Waterways Transportation Act.

10.7. Duty to cooperate, complaints

10.7.1. In the event of defective performance, each traveler is required to undertake whatever may be reasonably expected of him/her to contribute to alleviate the defect and to keep any potential damages to a minimum.

10.7.2. If you should have reason for complaints, contrary to our expectations, then immediately inform our tour management on site. If a respective local tour manager or tour agent is not available or cannot be reached, or if they cannot alleviate a defective performance, then please turn to the service provider (transfer company, hotel operator) and/or SG Sea Cloud or to his contact address in the area of destination. A traveler is not entitled to claims if he/she culpably fails to perform the above obligations. The only time this does not apply is if reporting a complaint is clearly futile or unreasonable for other reasons. The customer will, however, be informed about the availability of the tour manager or SG Sea Cloud in the service description – at the latest when they receive the travel documents.

10.7.3. Tour guides are not authorized to formally recognize any claims whatsoever.

11. Exclusion of Claims and Statute of Limitation

11.1. If the baggage is damaged, lost or delayed during the travel by air, the passenger must write and complain to the relevant air carrier in loco as soon as possible with undue delay. The airlines and SG Sea Cloud may refuse to grant a refund due to international conventions if the claims notification therefor is not completed in time. The claims need to be asserted within seven days in case of loss of luggage and within 21 days after receipt of luggage in case of delay.

11.2. The traveler must assert claims under §§ 651 c to f BGB (German Civil Code) within a month after the contractual date of return.

11.3. All claims arising from the travel agreement as well as claims based on injury to life, limb or health due to intentional or negligent breach of duty of SG Sea Cloud shall lapse two years following the contractually covenanted date of return.

11.4. The statute of limitations is suspended if SG Sea Cloud initially states to you that complaints and claims are being examined. The suspension is lifted when the tour organizer informs the customer of the results of his examination with regard to the customer's claims.

12. Insurance Coverage

12.1. You are insured against transportation risk during flights, within the scope of lawful provisions.

12.2. For your own safety, we recommend that you take out a travel insurance policy that includes cancellation, interruption, health, luggage, accident and liability coverage.

13. Passport, Visa, Customs, Foreign Exchange and Health Regulations

13.1. You will receive essential information on the formalities required for your trip along with the travel offer. This information will be conveyed along with travel documents and through the travel description contained in the catalogue. Please heed this information, as each traveler is himself/herself responsible for compliance with these regulations. You shall bear all costs and the negative impact of failure to comply with said information.

13.2. You have to ensure that your passport, which you will require for your trip, is still valid, for a period of six months beyond the planned travel date. Children require a children's passport which is appropriate to the respective destination. This information applies for German citizens. Foreign nationals and holders of foreign passports are requested to turn to their relevant consulate or embassy for appropriate information.

13.3. You are liable to SG Sea Cloud for all consequences and damages, especially penalties, fees and expenses, that must be paid or deposited as a result of your failure to follow applicable regulations for entry into, exit out of or transit through a country, or if in case you have not provided the necessary documents or not provided them in the prescribed manner. You are obliged to immediately reimburse any funds that SG Sea Cloud must pay or deposit.

13.4. SG Sea Cloud is not liable for the necessary visas being granted or provided in time by the relevant diplomatic body with the exception of instances when SG Sea Cloud has been instructed to arrange them unless SG Sea Cloud has culpably failed to fulfil its own obligations.

14. General Remarks

14.1. Major printing errors and computational errors in the brochure or on the travel confirmation shall entitle SG Sea Cloud to avoid the validity of the travel agreement. In such instance, SG Sea Cloud is required to compensate the traveler for the proven loss incurred by relying on a declaration.

14.2. All information in our tour description corresponds to the current status of information at the time of printing.

14.3. Invalidity of individual provisions of the travel agreement shall not result in invalidity of the entire travel agreement. The same shall apply for these same Terms and Conditions of Travel.

14.4. Oral agreements are only valid if we have confirmed them in writing.

14.5. The conditions of the respective transportation corporation shall apply in the event combined air and ship travel, combined train and ship travel and for bus trips. We will provide you with a copy of their conditions upon request.
